Changing the spiritual climate in Newark— one street at a time

***"The prayer of a righteous person is powerful and effective."

PrayForNewark

In 1666, the Puritan Founders dedicated Newark as a community consecrated to the service of God. They declared that Newark should forever be “as nearly as possible a Kingdom of God on earth.” This principle was affirmed in a 1668 prayer meeting at Divident Hill.

Why Should I Adopt a Street?

The streets of Newark are its lifelines. When the streets of Newark experience peace, then our city will enjoy economic development, strong families, healthy neighborhoods, and personal safety.

When you adopt a street and pray, you are helping the people who live, work and travel on that street. Adopt a street and you pray for a family, a single mom and her kids, teenagers, workers and all who need the touch of God in their lives on that street.

Adopt Your Street and Pray

Adopt one of the 900 streets listed on the Newark City Map, or ask to be assigned one.

Then pray daily for God’s blessing, healing and intervention for your adopted street and its people.
